MAKE IT ETHICAL

THE ONLY WAY IT SHOULD BE

Fruit of the Loom doesn't just make great garments; we make them the right way too. That means protecting the rights of all people we work with and doing what's right for the environment – from raw material through to final garment. We've set our high standards in our own charter that we call The Fruit Code. Every supplier we work with is independently audited by WRAP or according to the amfori BSCI standard to ensure they meet our compliance requirements. We only use ethically-produced yarn and all our garments are independently Oeko-Tex Standard 100 approved, which certifies that they contain absolutely no substances that are harmful to humans.

MADE IN MOROCCO – MADE BY US MEANS MADE BETTER FOR YOU

Control is vitally important to Fruit of the Loom and our huge custom-built state-of-the-art manufacturing plant in Morocco gives us the control we need to bring you the garments you count on us for.

We produce over 2 million garments every week – with up to 50 million always in stock.

We employ a staff of over 4,300 locally-employed people, working in a multi-shift operation across our production and sewing plants, and we ensure the respect and wellbeing of our workforce with benefits including healthcare, dental care, training and transport.

We are entirely self-sufficient with our own sub-station and water-treatment facility that recycles up to 60% of the water we use, returning it to the river cleaner than when it arrived. As a result of this, the river bed has completely regenerated and is once again alive with fish and wildlife.

MADE FOR ICONS

CELEBRATING THE T-SHIRT AS AN ICON OF CREATIVITY

Of all the garments we own, none is as iconic as the T-shirt. Versatile, utilitarian, ageless, genderless and classless it is infinitely wearable and owned by all of us. No other item of clothing has such a wide appeal or offers the wearer the opportunity to display their individuality and uniqueness quite like the T. And this is the inspiration behind the new Iconic T Collection by Fruit of the Loom.

Add some creativity and the T-shirt transforms into something else altogether. From making a fashion statement to a political statement, from celebrating our favourite brands to our favourite bands, a decorated T expresses your attitude and lets you flaunt it to the world in the best way possible.

FRUIT OF THE LOOM®

MAKE YOURS FIT

From the smallest children's size to the largest adult, Fruit makes garments for everyone. There are different cuts for Men, and while our Kids styles can be worn as unisex, many also feature a specific girls fit too.

All our measurements are based on actual "to fit body" sizes, and are not the garment measurements. For example, a Fruit Polo with a chest to-fit size of 92-97cm/36-38" will fit someone with those chest measurements. Similarly, Jog Pants with a to-fit-waist measurement of 86cm/34" is designed for somebody with those body waist measurements.

And the great news? Whichever fits and sizes you choose – both kids and adults – colours match across the collection. So for times when that's important to your customers, everyone can wear the exact same shade.

CLASSIC OR FASHION? WE'VE A FIT FOR BOTH

Across our T-shirt collection we use two different fits for our adult Men's styles. Our Valueweight, Original, Super Premium, Ringspun Premium, Heavy and Iconic 165 T's are all cut in a classic fit: a little roomier in the body and around the shoulders and arms.

For a more contemporary or fashion fit, check out our Sofspun®, Baseball, Ringer, Iconic 150 and Iconic 150 V-Neck T's. Slimmer in the body, a. little shorter, more fitted in the sleeves and around the shoulders with a narrower neck rib depth; choose the fit that works best for the look you want.
